

CANCELLATION NOTICE

LF 91, Application for Undergraduate Study (Rev. Dec. 2003)

Cancelled effective 06-26-06.

Tool used for Langley Research Center (LaRC) employees to apply for undergraduate study.

Because the processing of external (off-site) training requests will transition to the NASA Shared Services Center (NSSC) on July 3, 2006, LF 91 will no longer be used. As part of the transition, employees will be required to complete the NF 1735, Request, Authorization, Agreement and Certification of Training, to request and obtain authorization for training and to document employee agreements to continued service and certification of training. An automated version of the NF 1735 is being installed into SATERN, the new NASA-wide Learning Management System.
